## PROGRAMME OUTCOMES

<b>PO1</b>	Effective Communication - Speak, read, write, and listen clearly in person and through electronic media in English and in one Indian language, and make meaning of the world by connecting people, ideas, books, media, and technology.
<b>PO2</b>	Self-directed and Lifelong Learning - Acquire the ability to engage in independent and life-long learning in the broadest context of socio-technological changes
<b>PO3</b>	Effective Social Interaction - Elicit views of others, mediate disagreements, and help reach conclusions in group settings.
<b>PO4</b>	Evaluative Thinking - Take informed actions after identifying the assumptions that frame our thinking and actions, checking out the degree to which these assumptions are accurate and valid, and looking at our ideas and decisions (intellectual, organizational, and personal) from different perspectives.
<b>PO5</b>	Ideal Citizenship - Demonstrate empathetic social concern and equity centred national development, and the ability to act with an informed awareness of issues and participate in civic life through volunteering
<b>PO6</b>	Ethics - recognize different value systems including your own, understand the moral dimensions of your decisions, and accept responsibility for them.
<b>PO7:</b>	Environment and Sustainability - Understand the issues of environmental contexts and sustainable development
<b>PO8</b>	Digital Knowledge System: Adequate training in the application of digital knowledge in higher education and the workplace.
